

HELPING HAND PROJECT – GRANT FORM

T&Cs: IN RESPONSE TO THE FUEL CRISIS Families may apply for support with fuel AND accommodation. Receipts must be provided, or no support will be given. The HHP can give a maximum of £700 towards accommodation plus a maximum of £270 towards fuel costs per session. UPDATED For Fuel we pay £0.20 per mile for travel to and from Footsteps only for families travelling 300+ miles. Non-grant families are welcome to apply also if they feel help is needed. Expected Cost £

Number of Nights

COST OF LIVING CRISIS -Currently the Helping Hand fund is open to all families that attend Footsteps during the period when the fuel prices have increased. We are also offering an enhanced grant towards accommodation. During this time you are able to apply for both accommodation and fuel if applicable.

BANK DETAILS Name of Account Holder _____

Account Number _____ Sort Code _____

Further info The Helping Hand Project was set up in response to concerns that families were struggling with the additional costs of bringing their children to Footsteps. We are especially aware that those travelling very long distances may have a large fuel bill or accommodation costs in addition to therapy costs and this may make it difficult to attend. We also want to support local families on low incomes. This trial was made possible by a generous one-off donation and will run for one year, or until the funding runs out, whichever is sooner.

FUEL COSTS - If you are applying for assistance with fuel costs we require all fuel receipts, which can be submitted in the last week of your session. Grant payments will usually be made within 1 week after your session and once receipts are received, directly to the bank account details given.

ACCOMMODATION COSTS - If you are applying for a grant to help towards accommodation costs, we will require a copy of your booking confirmation, invoice, or receipt showing the full cost and duration of your accommodation. **UPDATE** If successful payment is usually paid **within 1 week after your session** and once receipts are received, directly to the bank account details given.

Please give further details as to why you are applying for additional funding through the Helping Hand Project.
